STATEMENT BY THE PREMIER, MR. DUNSTAN.

KESAB APPEAL.

9.4.73

This is "Live Without Litter Week" and we want your help to keep South Australia beautiful.

Pick up any litter in front of homes or places of work.

Plant a tree, or paint the front fence, because keeping an attractive and tidy environment is the best way to help KESAB combat littering.

The Government strongly supports KESAB in it's public education campaigns and it's work with many authorities to provide the machinery to control litter.

Many areas of this work have been very successful - but for those who won't co-operate we have fines for littering and rubbish dumping of up to \$200.00.

But it's the individual effort that counts. You all have more power than governments to correct this situation - Just Don't Do It. Don't drop litter - Keep South Australia Beautiful, this week and every week.
