MISS BEATRICE DAY is a gentlewoman.
She does not go about the country giving
reckless testimonials to all sorts of rubbishly
nostrums and messes. Her signature is not for
sale. When she gives her testimony to the
overwhelming evidence in favour of the John
Strange Winter Specifics, she speaks volun-
tarily and gladly, and you may believe that she
speaks the truth.

Every woman naturally desires to look well and stylish, and the right Corset is absolutely essential to securing the finest effect. The famous French

"Ask Your Draper!"
An Australian’s Home
MAY AT ANY TIME BE
INVADER
BY SICKNESS.

In the best regulated families the little ills of life will creep in. Some member of the family circle may occasionally suffer from Biliousness or Indigestion, and one or the other will from time to time exhibit the well-known symptoms of Constipation. From these little troubles more serious complaints arise, and therefore should not be neglected. The slightest headache, bad breath, and discoloured tongue are the index to a disordered stomach; and the necessity of keeping a safe, sure and reliable remedy in the house is apparent. By following such a course the more expensive method of calling in a doctor will be quite unnecessary. That Dr. Morse’s Indian Root Pills are the very best Family Medicine is vouched for by thousands of grateful men and women who have proved their wonderful corrective methods. Taken occasionally, Dr. Morse’s Indian Root Pills are a great protection against all common ailments.
