SENT TO ALL COUNTRY PRESS.

STATEMENT

from the Premier

Date..... June 17, 1976

Embargo.....

State Administration Centre,
Victoria Square, Adelaide,
South Australia 5001
228 4811

The Premier, Mr. Dunstan, will visit Mannum on Friday to present Shearers with a Good Design award.

The Premier will arrive in the mid-morning and will make the presentation at the factory at 2 p.m. He will then inspect the factory and stay for lunch.

Shearers recently released a new tractor drawn header, the model 1070, which was submitted to the Industrial Design Council of Australia. The tractor was awarded the Australian Design Award.

"I am very pleased that Shearers have won this award because it is further proof of their technical expertise and their leadership in the agricultural machinery field", the Premier said.

"My Government has given considerable financial support to Shearers because we are confident of their ability and we are also very concerned about the need to ensure that the largest employers in Mannum continues to grow.

"It is even more pleasing that Shearers, which plays such an important role in all aspects in Mannum, have been given this award in the town's centenary year."

After the presentation the Premier will fly north for a four day tour of Woomera, Coober Pedy, Andamooka, Leigh Creek and Port Pirie.
