SECRETARY AND MANAGER APPOINTED

Mr Ken Myers, DFC, AASA, has been appointed Secretary and Manager of the National Capital Development Commission, the Commissioner Mr Tony Powell, announced today.

Mr Myers has held senior management posts in the Commission since joining it in 1961 following 10 years' service with the Snowy Mountains Authority. He had acted in the position of Secretary and Manager of the Commission since September last year.

Mr Powell said:

"Ken Myers has become well known throughout government areas and the business and construction industry because of his close association with general finance and contractual matters both as Business Manager and later Senior Assistant Secretary of the Commission.

"The Commission believes that his appointment as the chief executive in the Commission's management area will ensure that the close liaison the Commission maintains with these organisations will not only continue, but increase."
