PRESS RELEASE FROM THE ACTING PREMIER, MR J.D. CORCORAN, M.P.

41

30.11.73

An urban affairs specialist, Mr P.N. Troy, was today appointed a member of the State's new Land Commission by Executive Council. The Acting Premier, Mr Corcoran, said the Commission was the key agency in the Government program to keep down the price of building blocks in the Adelaide metropolitan area.

Legislation establishing it and providing for urban land price control was approved at the present session of State Parliament. Mr Troy, 37 and married with two children, is at present a Fellow in the urban research unit of the Australian National University in Canberra and a consultant to the Commonwealth Department of Urban and Regional Development.

On the Commission, Mr Troy joins the Chairman, Mr K.C. Taeuber and Mr K.J. Tomkinson.

Mr Corcoran said he was confident that the Commission would be able to ensure that land prices in Adelaide did not escalate at the soaring rate which had occurred in the Eastern States.
