NEW HOUSING TRUST HOMES FOR MOUNT GAMBIER

Contracts worth more than \$500,000 for 15 new Housing Trust homes were let this week, the Premier, Mr. Dunstan, announced in Mount Gambier today.

Mr. Dunstan said the 15 homes which would be built throughout Mount Gambier will be three bedroomed and of brick veneer construction.

Mr. Dunstan said he expected the contractors would start work on the houses in mid-December and that they would be progressively finished between June and September next year.

The Premier also announced that the Trust would be calling tenders early next year for another 61 houses, 31 of which will be for rental and the remaining 30 will be part of the Trust's rental sale programme.

"The Housing Trust has a very fine record of construction in Mount Gambier, and is building almost 100 houses a year in the city.

"The waiting time for houses has been considerably reduced from around two years to a little over one year and this decrease has been possible because of increased Trust activity in Mount Gambier.

"The increased rate of building was planned some years ago and came about after representations from local groups."

Mr. Dunstan said the builders for the 15 new houses would be local firms of Kennett Bros., N.S. & E.M. Mitchell and W.M. Waters.
